Failure: The Federal Miseducation of America's Children by Vicki Alger

The relationship among the federal government, the states, and parents with regard to education is increasingly dysfunctional. Parental control over their children's education has gained impressive momentum in recent years at the state level. Meanwhile, states have been increasingly willing to relinquish sovereignty over education in exchange for more federal dollars. Failure would help bring clarity to these issues by examining whether students and the country better off after 30 years with the Department of Education and suggesting alternatives to an ever-expanding federal education bureaucracy.

The Hidden Folk: Stories of Fairies, Dwarves, Selkies, and Other Secret Beings

Selkies, fairies, gnomes, hill folk, river sprites—do you believe in them? Perhaps among the flowers, beside a mountain, or near deep waters you've caught a glimpse, once or twice, of what you thought might be the silvery shadow of a dwarf, or a hint of a fairy's wing, or the tail of the water horse. Or was it just the odd light of dusk or dawn playing
