Conclusion Of Sexual Alchemy

There are two Paths: the Spiral Path and the Direct Path towards the Absolute.

This I say to my Arhats: *It is better to renounce the happiness of Nirvana and sacrifice yourselves for the Great Work of the Father in order to be born within the Absolute.*

This I say to my Arhats: *The Masters who renounce the happiness of Nirvana in order to follow the duty of the long Path of woe and bitterness are liberated from the Soul of the World after many ages. Thus, they are born within the Uncreated Light of Life, free in its movement, where only absolute happiness, absolute Consciousness and absolute Reality of the Being reigns.*
