Frames: [[Enable](#) | [Disable](#)]

thestories

Read and interact with the three-day series of stories and sidebars charting the origins of the crack explosion, its connections with U.S. policy and government agencies, and how the epidemic has gripped the black community.

library

Check the facts in our clearinghouse of recently declassified documents, audio clips, photographs and resources.

timeline

Track the major events mentioned in the series, updated with each day's story.

who'swho

Learn more about who we're talking about with our brief biographies on some of the predominant players.

thepipeline

See how the Colombia cocaine cartels made the California connection.

forum

Express yourself in this forum, where Mercury News Staff Writer Gary Webb will respond to selected questions and comments.
