

# REVELATION: SATAN'S KINGDOM

1/29/26

By Howard Nemaizer  
Inspired by the Holy Spirit

*The Devil's greatest trick was convincing the world that he doesn't exist.*

"My people perish for lack of knowledge." Hosea 4:6. But Satan's time is short, as described in Revelation 12:12, emphasizing the devil was cast down to earth filled with great wrath because he knows his time is limited. Satan is aware of his looming defeat and that there is limited time to influence and harm humanity. Knowing his time is short, Satan is filled with rage that leads him to act with greater and greater intensity against believers, and the world. None can honestly deny that this "spirit of rage" is omnipresent in Our society today. Especially recently in Minnesota.

For Christians, this serves as a reminder of the ultimate victory over evil. Despite Satan's current influence of the material world that continues to rise, Satan's defeat is assured. The awareness of Satan's short time encourages believers to remain vigilant and steadfast in their faith, as he seeks to lead others astray during his final days. This understanding highlights both the urgency of spiritual awareness and the hope that is found in the promise of God's inevitable victory over evil.

If you are not a believer in God, the bible, Jesus and lack spiritual discernment, this detailed essay is written especially for you. If for any reason you find this troubling, I pray for you. If this disturbs you even more, maybe it is time to look in the mirror and ask why. For believers—and non-believers alike, this essay will help connect the dots from the material realm, to the spiritual realm and to understand the will of God.

There can be no doubt we are living in dangerous, divisive and deceptive times. But this does not have to be a confusing enigma—if you learn the facts, and have an open and objective mind to find the truth. Without knowledge, discerning what is true leads to destruction. The fact is, whether realized or not, there are dire consequences when one ignores or rejects the teachings and laws of God. But those who actively seek knowledge, particularly about God and His laws will connect, avoiding spiritual downfall.

Ignorance is not bliss. In fact, it is the EXACT opposite. Ignorance leads to negative outcomes, both personally and communally, and disconnects individuals from divine guidance and blessings. Communities must educate themselves, ensuring they are not left vulnerable to the lies of man and the evil spiritual warfare running wild in Our world today.

This is why politicians and those who control and rule over society from behind the scenes have deliberately dumb down the masses, via decades of focusing on indoctrination rather than education.

*Silent Weapons for Quiet Wars* is a document that war games the social engineering of society we are witnessing today. The goal is to dumb down, impoverish, enslaving and depopulate the planet.

The document was handed out to 15 select members at the global elite's twenty-seventh Bilderberg Group held at the Clubhotel Schloss Weikersdorf, in Baden, Austria from August 27- 29, 1979, under the chairmanship of Lord Home of the Hirsel, K.T. There were 95 elite participants, drawn from a variety of fields: including banking, industry, shipping, unions, government and politics, diplomacy, journalism, the law, education, and international affairs.

These multi-millionaire and multi-billionaire elitists came from 16 Western European countries, the U.S., Canada and various international organizations and NGOs.

To maintain secrecy, all discussions were confidential, with no outside reporters allowed.

*Silent Weapons for Quiet Wars, An Introduction Programming Manual* was uncovered quite by accident on July 7, 1986 when an employee of Boeing Aircraft Co. purchased a surplus IBM copier for scrap parts at a sale, and discovered inside details of a plan, hatched in the embryonic days of the "Cold War" which called for control of the masses through manipulation of industry, peoples' pastimes, education and political leanings. It called for a quiet revolution, putting brother against brother, and diverting the public's attention from what is really going on.

The following excerpt from the document is from page 5, reprinted in its virgin form:

**TOP SECRET**

*Silent weapons for quiet wars*

*Operations Research Technical Manual  
TW-SW7905.1*

*Welcome Aboard*

*This publication marks the 25th anniversary of the Third World War, called the "Quiet War", being conducted using subjective biological warfare, fought with "silent weapons". This book contains an introductory description of this war, its strategies, and its weaponry.*

*May 1979 #74-1120*

**Security**

*It is patently impossible to discuss social engineering or the automation of a society, i.e., the engineering of social automation systems (silent weapons) on a national or worldwide scale without implying extensive objectives of social control and destruction of human life, i.e., slavery and genocide. This manual is in itself an analog declaration of intent. Such a writing must be secured from public scrutiny. Otherwise, it might be recognized as a technically formal declaration of domestic war.*

*Furthermore, whenever any person or group of persons in a position of great power and without full knowledge and consent of the public, uses such knowledge and methodologies for economic conquest - it must be understood that a state of domestic warfare exists between said person or group of persons and the public.*

*The solution of today's problems requires an approach which is ruthlessly candid, with no agonizing over religious, moral or cultural values. You have qualified for this project because of your ability to look at human society with cold objectivity, and yet analyze and discuss your observations and conclusions with others of similar intellectual capacity without the loss of discretion or humility. Such virtues are exercised in your own best interest. Do not deviate from them.*

## Historical Introduction

*Silent weapon technology has evolved from Operations Research (O.R.), a strategic and tactical methodology developed under the Military Management in England during World War II. The original purpose of Operations Research was to study the strategic and tactical problems of air and land defense with the objective of effective use of limited military resources against foreign enemies (i.e., logistics). It was soon recognized by those in positions of power that the same methods might be useful for totally controlling a society. But better tools were necessary. Social engineering (the analysis and automation of a society) requires the correlation of great amounts of constantly changing economic information (data), so a high-speed computerized data-processing system was necessary which could race ahead of the society and predict when society would arrive for capitulation.*

The full document details how education “must be of the worst sort,” making it easier for the global elite to deceive the masses into accepting the United Nation’s goal of creating a one world government. A totalitarian socialist state, where all aspects of human life are under strict control.

A world where freedom and private property are replaced by slavery and genocide.

In 2010, the Rockefeller Foundation published OPERATION LOCKSTEP, detailing a response to a global pandemic. It is the exact plan, followed to the letter by the UN/World Health Organization and forced upon the world in 2020, in the form of the fake pandemic. COVID-19 is a bio-weapon engineered by Peter Daszak at CIA front group ECO-HEALTH ALLIANCE and overseen by Dr. Anthony Fauci at Chapel Hill, North Carolina. This led to the creation of a five virus weaponized strain they called, COVID-19.

Gain of function is illegal in the United States, so President Obama moved the gain of function work to the Wuhan Lab in China to avoid scrutiny and maintain plausible deniability. This set the stage for the fake global pandemic, complete with a decade long mass media predictive programming of pandemic movies and t.v. shows.

After the release of the virus in Wuhan, China in late 2019, 24/7 fear mongering social engineering propaganda was relentlessly pounded in the minds of the masses, filtered through the mainstream media, paid celebrities and government hacks world-wide. Not surprisingly, Democrats fully embraced and relished the tyranny they invoked against the American People while vacationing in red states, whose governors refused to comply with UN COVID-19 protocols. The media ignored the hypocrisy while demonizing Americans in blue states refusing to comply.

As per UN/World Health Organization (WHO) mandates, the medical licenses of physicians were threatened for non-compliance of WHO deadly accepted treatments of Remdesivir and ventilators. WHO “treatments” killed 85% of patients. Effective treatments, such as Ivermectin were banned and removed from the shelves of pharmacies nationwide.

For two years, Americans were subject to lock downs, forced business closures and medical murder in hospitals and nursing homes and of course— then came the deadly COVID-19 injections.

Insurance actuaries reported massive increases in mortality during this period, resulting in more than 30 million deaths worldwide.

In addition, an entire generation of children have been traumatized by the lock downs and loss of social engagement. The COVID-19 lock downs led to significant disruptions in education worldwide, affecting nearly 1.6 billion students across 200 countries.

In a carefully designed effort to dumb down students and kill, these closures resulted in substantial learning losses, social disruptions leading to anxiety, depression and other mental illnesses. Then came the deadly injections. Young healthy people, including athletes began to “die suddenly” of myocarditis caused by the shots.

As the public voiced their outrage, censorship became rampant. A massive shift of wealth occurred from small businesses forced to shut down to big businesses allowed to operate. It was a massive scam that targeted people of faith, forcing churches, synagogues and mosques to remain closed, for the “greater good.”

Pharmaceutical drugs were developed, championed and dominated by John D. Rockefeller in the early years of the 20th century that endures to this day. The word pharmaceutical is derived from “Pharmakeia,” a Greek term translated as “sorcery” or “witchcraft,” referring to harmful or deceptive practices, rather than legitimate medical use. This is the same harmful and deceptive practices we saw during the COVID genocide.

Pharmakeia is a Greek word translated as “sorcery” or “witchcraft.” It is related to the words for “drug” or “poison” and refers to the use of magical potions. The term emphasizes harmful or misleading practices rather than legitimate medical use. Pharmakeia is mentioned in the bible, mostly in the Book of Revelation.

Galatians 5:20 includes pharmakeia among sinful acts of the flesh, condemning it alongside idolatry and hatred.

Revelation 9:21 describes unrepentant people who did not turn away from their sorceries and other sins.

Revelation 18:23 declares judgment on Babylon, highlighting how nations were deceived by their sorcery. This sorcery appears active in the world today, as many seem to be under a “spell” unable to see the truth or identify evil. Pharmakeia is associated with idolatry and spiritual manipulation. Something that is clearly very present in the world today. It represents an attempt to control spiritual realities through occult practices, which the Bible warns against. Instead, we must rely on God, rather than deceptive practices, such as we experienced during the COVID-19 war on humanity.

The caduceus is a symbol that resembles the symbol of Asclepius, which is the symbol for Modern medicine. The caduceus features two snakes entwined around a staff which is associated with Hermes in Greek mythology and Baphomet, who represents rebellion against God.

A clue to the deception and dangers of pharmaceuticals and medical treatments lies in the original history of the adoption of the caduceus as the symbol for medicine by US Army medical officers in 1902 and the replacement from the caduceus to the rod of Asclepius..

After World War 1 the caduceus became the official emblem by both the Army and Navy Medical corps. The American Medical Association (AMA) used the caduceus as its symbol until 1912, only two years after the FLEXNOR REPORT, which demonized natural cures and homeopathic medicine. The Flexnor Report, commissioned by the Carnegie Foundation in 1910 was used to set the stage for the modern Medical Mafia Cartel that kills upwards of 600,000 Americans each and every year.

Published by Abraham Flexner to subjectively evaluate medical education in the United States and Canada, it lead to the term, “quackery” applied to any and all natural and homeopathic cures, which were unable to be patented. The report also promoted systemic racism by advocating for the closure of historically black medical schools and limiting the roles of black physicians. Rockefeller supported these reforms, which said it was aimed at standardizing medical education and improving the quality of training. But in reality it was a war on homeopathic medicine to destroy natural remedies and to control the dispensing of medicines for massive profit.

Rockefeller's influence over the American Medical Association (AMA) led to the standardization of Allopathic medical education as per the Flexner's recommendations. His financial support created the current Big Pharma medical mafia cartel's unholy trinity of "surgery," "pharmaceuticals" and "radiologicals," that dominates modern medicine to this day. As a result, Allopathic medicine put homeopathic medical schools and hospitals out of business. None survive today.

If these acts do not clarify the Satanic nature of Rockefeller's works, maybe buying into the Federal Reserve, the Ludlow Massacre, the funding of both sides of every war since 1914, including the funding of the rise of Hitler, trading with the Nazi's throughout World War 2 and the rise of Chairman Mao will.

Knowing the carnage that would deliberately be brought to the world though his Medical Mafia Cartel, J.D. Rockefeller shrewdly lobbied the AMA to replace the caduceus with the rod of Asclepius.

This sufficiently cloaked the visible Satanic connections to pharmakeia and so far, successfully obscured the ever increasing evils of the pharmaceutical industry. This is a textbook example of something I will explain in detail as we move forward, the Satanic Law of Reversal or Inversion.

Instead of being associated with Satan and deception, to this day, the serpent-entwined rod wielded by the Greek god Asclepius is associated with healing and is the symbol of modern medicine.

19th-century Satanist Éliphas Lévi, who illustrated Baphomet it in his work "Dogme et Rituel de la Haute Magie," links the caduceus to duality and balance, and the merging opposites, such as male and female, light and dark. *"As above, so below."* This is where transgenderism and transvestitism stems from.

Baphomet is a goat headed demon, with two female breasts and male genitalia, representative of Satan. This demonic being symbolizes the reconciliation of opposites. A torch is positioned between the two horns on its head, symbolizing knowledge and enlightenment. A pentagram adorns its forehead, symbolizing Luciferian thought and rebellion against God. At its mid section rest a caduceus, with two serpents wrapped around a staff. This symbolizes duality and balance. The staff represents communication, and the merging of the spiritual and material realms.

In Roman folklore, "Lucifer" translates to the "light-bearer," referring to the planet Venus, personified as a male figure heralding the dawn. The term "Son of the Morning" is also associated with this Lucifer, which represents beauty and brightness.

Isaiah 14:12-15 states: *"How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, you who weakened the nations!"*

The verse describes Lucifer as being the "morning star." Importantly, this is *prior* to Lucifer's fall from grace, emphasizing his *former* glory *before* his rebellion against God.

Still, many believe Satan and Lucifer are the same entity and tend to use these titles interchangeably. But there is a clear distinction. Lucifer is the fallen angel, who rebelled against God and was cast down out of heaven to rule over the earth. "Satan" is Lucifer's agent, tasked with the role as adversary and "father of lies."

In John 8:44 Jesus says, *"You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies."*

This verse relates to Jesus addressing a group of Jews rejecting His teachings. Jesus contrasts their actions with those of Abraham, emphasizing that true children of God would recognize and accept the truth, and that deception is rooted in Satan, who uses lies to lead people away from the truth.

In John 14:6 Jesus is described as "*the way, the truth, and the life*," indicating Christ is the exclusive path to God and He embodies ultimate truth, life and salvation.

The first lie was told by the serpent in the Garden of Eden (Genesis 3:4) 2 Corinthians 11:14 warns that "*even Satan is disguised as an angel of light*," further emphasizing Satan's deceptive nature. These biblical verses collectively illustrate the theme of truth versus deception.

Once again, I mention the Satanic Law of Reversal, or inversion. A great Masonic secret reverses the story of Adam and Eve. The Masonic belief is that Adam and Eve were cast out of heaven by a cruel and vindictive god who denied them knowledge from the Tree of Good and Evil. So free humanity from enslavement, Lucifer, assisted by his agent Satan "released" Adam and Eve from bondage in the Garden of Eden.

This is exactly the opposite of the truth.

While he was cast out of heaven by God, "Lucifer" *still* falsely exalts his *former* status as the *light-bearer* and *son of the Morning Star*, maintaining a counterfeit kingdom on earth. After Lucifer's fall from grace, *Lord Jesus became the Son of the Morning Star*.

In rebellion, since man is God's most cherished creation, Lucifer sent his agent, Satan, to wage war on mankind by the execution of evil.

The Bible refers to Satan's kingdom in John 12:31, where Jesus calls Satan the "ruler of this world." Matthew 12:26 states, "*if Satan casts out Satan, he is divided against himself; how then will his kingdom stand?*"

For those not in the know Freemasonry is a secret society known as The Brotherhood. Freemasonry describes itself as a fraternity of self improvement. While on the surface, this "cover" is accurate, but there is much more to learn about this "secret society." Meeting in secret suggests deception, as it implies that the parties involved are trying to hide information or avoid scrutiny. This is obviously true. While appearing to be a positive fraternal organization that helps its members become better men by promoting brotherly love, charity, and truth, with the aim of fostering personal development and moral improvement among its members, is to say the least, questionable.

The Devil is literally in the clandestine deceptive details. Something known as the Satanic Law of Reversal or inversion is in play. (I will explain later). The solution is actually quite simple, if one ignores the noise, designed confusion and material trappings of Satan's Kingdom.

The current political upheaval, deceptions, the censoring free speech and slow walking of prosecutions of blatantly obvious acts of treason against the American people indicates the Devil is literally in the details.

Forces in both political parties are working to maintain the status-quo of the Anglo-American (Deep State) establishment here in America. This is a rock solid alliance between the money powers of Britain and the United States. Like Satan's war against mankind, this powerful Anglo-American alliance endures, fathered by British imperialist and Freemason Cecil Rhodes—to this day.

Cecil Rhodes, born on July 5, 1853 in Bishop's Stortford, Hertfordshire, was the son of a Church of England clergyman, Francis William Rhodes and Louisa Peacock. At the age of 24 Cecil Rhodes was initiated into Freemasonry at the Apollo University Lodge in Oxford and remained a loyal Freemason throughout his life. Rhodes' involvement in Freemasonry directly led to the creation of a secret society aimed at expanding British rule globally.

By the age of 34, Cecil Rhodes was generating an income of £200,000 per year from diamond mining and £300,000 per year from gold mining. This was a staggering annual sum in the late 1880's and 1890's, equivalent in purchasing power to £8,435,735.35 today, or \$11,670,758.11.

In his lifetime, Rhodes amassed immense wealth, primarily through his gold and diamond mining operations in South Africa. While slavery was supposedly abolished by the British Empire in 1833, Rhodes' business practices could only be described as slavery. His tyrannical business policies and practices contributed to extreme labor exploitation that severely restricted the rights and freedoms of black native workers in South Africa.

The practice of hobbling was common in Rhodes' gold and diamond mines. This barbaric policy was instituted to maintain a forced labor workforce and to prevent theft. Hobbling is the practice of positioning a wooden plank between both legs, then crushing both ankles with a sledge hammer, permanently disabling the slave laborers so they couldn't escape the mines, or steal diamonds or gold.

Hobbling was depicted in a famous scene in the Stephen King movie “Misery,” where James Caan was “hobbled” by Kathy Bates.

In 1891, Cecil Rhodes added a codicil to his will that created a secret society, whose goal was to restore the United States under British rule. Rhodes envisioned a global empire led by the Anglo-Saxon race, which he believed would be a great benefit to civilization.

In 1895, Rhodes became a charter member of Bulawayo Masonic Lodge No. 2566 in an area governed by the British South Africa Company, known as Mashonaland and Matabeleland. While never knighted by Queen Victoria or her successor, King Edward VII, Rhodes held significant political and business influence with the British Crown. His financial success was directly related to the expansion of the British Empire, and the exploitative expropriation of land from black Africans, where he achieved concessions from indigenous chiefs, by means of deception and corruption.

Two decades later, Rhodes was honored by King Edward VII, when the name of the region was officially changed to *Rhodesia* in 1923.

Shortly after his death on March 26, 1902, Cecil Rhodes' secret society that has no official name, was fully funded and established. Known as the “Round Table Groups”, (referring to King Arthur and Knights of the Round Table), Milner's Group, and Milner's Kindergarten, (both named after the secret society's first leader, British Lord Milner).

This alliance has played a significant role in shaping British foreign policy to stealthily merge the United States into a one world Anglo-American run government to this day. This has been incrementally achieved through the work of think tanks, political pawns, acquisitions, land grabs, legislation, war, and propaganda campaigns that promote Anglo-American solidarity.

In his will, Rhodes left a significant amount of his wealth to establish the Rhodes Scholarships, in efforts to expand “The Great Work,” by grooming initiates and adepts for top leadership positions and to forward international cooperation.

Rhodes Masonic connections were key to this larger vision for imperial Anglo-American expansion and governance. This secret society's impact is seen everywhere when gazing through the lens of history, in countless geopolitical events, including the partitioning of territories and shaping of international relations.

This global order, which includes the Vatican and Freemasonry, highlights a very real, provable conspiracy between secret societies to corrupt, destabilize and control national policies to manipulate nations of the world into a “*New World Order*”.

While many are aware of “*Rhodes Scholarships*”, most have no idea that these Rhodes Scholars are indeed an integral part of this clandestine operation, hand picked by “Milner’s Kindergarten” to join the global elite’s secret society.

Many politicians, educators, international relations “experts” and movers and shakers have been recruited for this cause over the years, including Bill Clinton, and Susan Rice, who served as the U.S. Ambassador to the United Nations and as Obama’s National Security Advisor.

| Name                  | Year Awarded | Notable Position(s)                               |
|-----------------------|--------------|---|
| Bill Clinton          | 1968         | 42nd President of the United States               |
| Dean Rusk             | 1931         | U.S. Secretary of State (1961-1969)               |
| George Stephanopoulos | 1984         | Senior Advisor to President Bill Clinton          |
| Strobe Talbott        | 1968         | Deputy Secretary of State (1994-2001)             |
| Susan Rice            | 1990         | U.S. Ambassador to the United Nations (2009-2013) |
| Jim Himes             | 1988         | U.S. Congressman (Connecticut) 2008 - current     |

Rhodes Scholars have made significant contributions in effort to create a one world government via politics and governance. Several Rhodes Scholars have served the conspiracy as heads of state or similarly influential socio-economic-political figures.

For those confused by the trajectory of world altering events— look to this group.

A significant number of Rhodes Scholars past and present have held high-ranking positions in government. After office, or appointments, most transition directly into education to locate and influence future leaders.

The key objectives of the Anglo-American Establishment is to preserve, protect and defend the conspiracy to expand the British Empire to maintain British influence globally via the orchestration of conflicts to manipulate economies and to gain and maintain socio-economic political power by maintaining a close political and cultural relationship between Britain and the U.S. by promoting shared values and governance.

*(Think Diversity, Equity and Inclusion)*

This society's impact is seen in many geopolitical events over the decades, including the partitioning of territories and the shaping of international relations. Its existence highlights the interplay between secret societies, national policies and the major players in centers of influence across the world. Elitists in the ilk of Bill Gates, Klaus Schwab and Larry Fink, the new head of the World Economic Forum.

As a result of this very real conspiracy America has been built up to be fleeced BY DESIGN as elite Anglo-American insiders profit in good times or bad.

When it *appears* Our country is moving forward towards prosperity, the truth is just the opposite and the stage is being set for fleecing.

This has happened countless times, from the Federal Reserve to the Great Depression, to the Dot Com boom to the 2008 financial crisis. T

hese events are all 100% intentional and cyclical.

Nothing actually changes. The trajectory of America and the world is moving incrementally toward slavery and genocide. What we are actually witnessing since 1902 is a political horse and pony show.

When it appears things may be changing for the better, things are actually getting much worse. And as a result, sycophants on both sides of the political aisle have become willfully blind to this over the decades.

## SATAN'S KINGDOM

Located near the Vermont border, 10 miles from the Mystic Star-Phoenix Lodge No. 97 in Brookfield, Vermont, in a rural area in the County of Franklin, Massachusetts is the unincorporated village of Satan's Kingdom. The area is home to the Satan's Kingdom Wildlife Management Area, which spans 1,800 acres and is a popular spot for hiking and hunting.

Eight miles from Union Lodge No.2 of the Grand Masonic Lodge of Vermont in the County of Addison there is another community called Satan's Kingdom, nestled on the south shore of Lake Dunmore.

Freemasonry is not a fellowship, it is a religion, disguised as a pious fraternity. The fact is the exact opposite. Though constantly denied by its initiates and adepts, the true purpose of Freemasonry is the completion of “The Great Work”.

The exoteric explanation is as follows: *Great Work is a term used in Hermeticism and occult traditions descended from it, such as Thelema, the religion founded by Satanist Aleister Crowley.*

The Great Work symbolizes the creation of the philosopher's stone, which represents the culmination of the spiritual path and the attainment of enlightenment that “rescues” the human soul from the unconscious forces which bind it. (God's word)

For believers this is very disturbing, but the esoteric meaning is far more sinister.

“The Great Work” involves the creation of a “New World Order” that brings God's counterfeit, Lucifer, into the “light” of the world— as the one and only true god.

## FREEMASON INFLUENCE OVER THE FOUNDING OF THE UNITED STATES

13 (Key number) of the 39 signers of the U.S. Constitution were Freemasons, including George Washington, Benjamin Franklin, and John Hancock. Freemasonry played a major role in the founding and development of the United States.

This was not a coincidence.

The Great Seal of the United States is a symbol of the nation's sovereignty, featuring a bald eagle clasps and olive branch in one talon and 13 arrows in the other, symbolizing peace and war, and an unfinished pyramid topped by the All seeing eye of Horus, also known as the eye of Providence, symbolizing divine guidance. These are not coincidences. Neither are the Latin writings contained on the reverse of the seal.

First there is, "E pluribus Unum" which means "Out of many, one." Then "Annuit coeptis: "He has favored our undertakings" (He is Lucifer) And finally, "Novus ordo seclorum," a new order of the ages. A New World Order. The reverse shows a truncated pyramid topped by the Eye of Providence, symbolizing divine guidance.

The Great Seal was first proposed on July 4, 1776, shortly after the Declaration of Independence was signed. It took 6 years and 3 committees to finalize the design, which was officially adopted on June 20, 1782.

In Freemasonry, the number 6 is associated with the creation narrative in the Bible, where God created the world in six days, and signifies the distancing from God. To Freemasons the number 3 is sacred, symbolizing the principal officers of a lodge, representing unity and the divine.

We will cover more on Masonic numerology as we move along.

Albert Pike was born on December 29, 1809, in Boston, Massachusetts. Pike played a significant role in the early political landscape of Arkansas. He was also the Sovereign Grand Commander of the Universal Scottish Rite of Freemasonry and sovereign pontiff of universal freemasonry, giving instructions to the 23 Supreme Councils of the world.

Pike was also a lawyer, poet, journalist and Confederate general. A statue of General Pike stands in Washington, D.C. Pike was pro-slavery and his legacy includes involvement with the founding of the Ku Klux Klan.

On page 31 of his book, *Morals And Dogma*, a text given to all adepts of Freemasonry in the Scottish Rite, Pike wrote, "*Lucifer, the Light-bearer! Strange and mysterious name to give to the Spirit of darkness! Lucifer, the Son of the Morning! It is he who bears the Light, and with its splendors intolerable, blinds feeble, sensual or selfish souls? Doubt it not!*"

Other texts and documents scribed by high level Freemasons include Domenico Margiotta, a 33rd degree Mason who wrote, *"Palladism is necessarily a Luciferian rite. Its religion is Manichaean neo-gnostism, teaching that the divinity is dual and that lucifer is equal of Adonay, with Lucifer the God of Light and Goodness struggling for humanity against Adonay the God of darkness and Evil. Albert Pike had only specified and unveiled the dogmas of the high grades of all other masonries, for in no matter what rite, The Great architect of the Universe is not the God worshipped by Christians"*

In the book, *"Masonry - Beyond the Light,"* former 32 degree Mason William Schnoebelen wrote, *"When the Mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mystery of his craft. The seething energies of Lucifer are in his hands and before he may step onwards and upwards he must prove his ability to properly apply this energy."*

Manly P. Hall was a highly degree Freemason and blasphemer who wrote many esoteric books, including the *"Lost Keys of Freemasonry."* On page 48 Hall wrote, *"That which we must say to the crowd is, we worship a god, but it is the god one adores without superstition. To you sovereign grand inspector general, we say this and you may repeat it to the brethren of the 32nd, 31st and 30th degrees - the Masonic religion should be by all of us initiates of the high degrees, maintained in the purity of the Luciferian doctrine. If Lucifer were not god, would Adonay (God) whose deeds prove cruelty, perfidy and hatred of man, barbarism and repulsion for science, would Adonay and His priests, calumniate Him?*

Helena Petrovna Blavatsky, often known as Madame Blavatsky, was a Russian and American mystic and writer. Blavatsky gained an international following after founding the New Age religion of Theosophy, a movement that blended elements of Eastern religions with Western esoteric traditions. Theosophy emphasizes spiritual evolution, reincarnation, and the pursuit of universal truth, often through the teachings of spiritual masters and was popular among Nazis due to Blavatsky's ideas about "root races."

*In the Secret Doctrine,* H.P. Blavatsky wrote, *"Yes, Lucifer is god, and unfortunately Adonay is also God, for the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can only exist as two gods. darkness being necessary for light to serve as its foil, as the pedestal is necessary to the statue, and the brake to the locomotive. (HN note: This describes the eastern concept of duality, the yin and yang.) Thus, the doctrine of Satanism is heresy, and the true and pure philosophical religion is the belief in Lucifer, the equal of Adonay, but Lucifer, god of light and god of good, is struggling for humanity against Adonay, the god of darkness and evil"*

Astounding, isn't it? Can you see the light yet, my dear friends?

Dr. Lester Sumrall in volume two of his teaching manuals "*Demonology and Deliverance*." Dr. Sumrall employs question and answer editorials to recount the life story and demonic spiritual experiences of Arlindo D. Olivera, a prominent witch doctor in Brazil who converted to Christ.

In dialogue from Page 57 Dr Sumrall asked Olivera:

Dr. Sumrall: "*Arlindo, did you ever meet Satan, the chief of all demons?*"

Olivera: "Yes. When he manifested, I sang Lucifer's hymn. Some of the words were, He is the king of Hell. He has two heads. One is the king of hell. The other is Jesus of Nazareth. One works for good, and one works for bad. The absolute can only exist as two gods. Lucifer, god of light and god of good, is struggling for humanity against Adonay, the god of darkness and evil"

Starting to see the light, dear readers?

Less than three miles from Masonic Lodge No. 29 in the Village of Collinsville, Connecticut in an unincorporated hamlet of New Hartford lies Satan's Kingdom. Perched along the Farmington River, Satan's Kingdom is a popular State recreation area offering visitors rafting and tubing. Only five residential properties occupy Satan's Kingdom. Each is located south of Route 44 on Satan's Kingdom Road. Each of these private properties have deep significance.

This is by no means a coincidence. Let us first take a look at the number 13.

The number 13 holds great significance within Freemasonry, associated with rebellion, transformation, and moral lessons. Historically, the number 13 is linked to the arrest of the Knights Templar on Friday, October 13, 1307, which is a pivotal event in Masonic doctrine.

The number 13 is viewed as a symbol of betrayal— meaning the Founding of America from the 13 Freemason signers of the Constitution represents BETRAYAL!

In biblical references, the number 13 appears in contexts of rebellion, such as in Genesis 14:4, where it signifies a break from the established order. “Transformation,” a word Democrats LOVE to use politically, encapsulates the 13th card in the Tarot deck, known as the Death card, symbolizes transformation and the end of one phase to make way for new beginnings.

Research Skull and Bones, is a Bavarian secret society with branches at Yale University and in Bavaria. This secret society is also known as the Brotherhood of Death. GHW Bush and his son GW Bush are both members of Yale’s Skull and Bones.

In Freemasonry the 13th degree is known as the Master of the Ninth Arch, emphasizing the pursuit of “moral perfection” and the importance of overcoming challenges. Sounds great right? It isn’t. Remember, Lucifer is in the details. MORE TO FOLLOW.

While many cultures have the discernment to view the 13 as unlucky. In Chinese culture the number 13 has a DUAL meaning, It can be viewed as both lucky and unlucky due to its association with the number 4, which symbolizes death.

Numerology holds deep symbolic significance in Freemasonry. For example, the number 33 is associated with the highest degree in the Scottish Rite, while the number 27 is seen as a product of three times nine, which is significant in Masonic teachings. Freemasonry often incorporates numbers into its rituals and symbolism, each carrying specific meanings.

## Key Numbers in Freemasonry

### Number

|    |   |
|----|---|
| 21 | 21 - represents the sum of the first six odd numbers (1+3+5+7+9+11), 21 also represents completeness and harmony and is associated with the 21st degree in the Scottish Rite.         |
| 23 | 23 - is linked to the concept of duality and balance, as it is one less than 24, which represents the full cycle of a day. It also symbolizes the balance between light and darkness. |

27 - is very significant in Freemasonry, as it is three times nine (3x9). The number (9) symbolizes the completion of a cycle. It also represents the 27th degree in the Scottish Rite. (Note: In Masonic tradition, (11) is a "Master Number," representing a gateway to higher consciousness and illumination. It symbolizes the transition from completion (9) to enlightenment, (11) embodying duality and the potential for spiritual growth and understanding.

The number (1)symbolizes unity, representing the belief in a single supreme being: Lucifer, the light bearer. The number (1) also signifies the importance of brotherhood and the idea that all Masons are part of one family. Does 9/11/01 ring any bells, dear readers?.

33 - is the highest degree in the Scottish Rite, symbolizing the culmination of Masonic knowledge and enlightenment. 33 is a mystical number with deep esoteric significance.

65 - symbolizes the combination of the two significant numbers (6) and (5), which represent the duality of human experience and the journey towards enlightenment.

I have lived in Connecticut for more than 20 years. Aside from the massive and very obvious designed de-industrialization of this State, I have discovered many, many generational Satanic centers of influence in what was once, but no longer, the wealthiest state in the Union.

Do you find it odd that so many roads, streets and towns bear Satanic names here in the Nutmeg State? It seems to be a New England thing.

What isn't just a New England thing and is found in hamlets, towns and cities across the country are Masonic Lodges and Temples near or adjacent to public schools, day care centers and Police stations? Why would that be? Does it seem odd? Is it a coincidence? You tell me.

Nod Road is a long two lane road that extends north from Route 44 to Hartford Road (Route 185) in Simsbury. Nimrod Road is a short path that winds from Town Forest Road to West Mountain Road in West Simsbury, CT.

In the Bible, Nod refers to the land where Cain was exiled after murdering his brother Abel. "Nod" is derived from a Hebrew word meaning "to wander," symbolizing Cain's aimless wandering life after his punishment.

This significant moment in biblical history illustrates the consequences of sin and loss of divine favor. Fearful that others would kill him for his crime, Cain settled in the land of Nod, located east of Eden. Nod is a symbolic representation of a life without God's presence, emphasizing the spiritual implications of sin, and the need for repentance.

Genesis 4:16 describes the consequences of sin, and separation from God.

Nimrod Road in West Simsbury, Connecticut is named after Nimrod, who is mentioned in the Book of Genesis and the Book of Chronicles.

Nimrod was the son of Cush. He was the great-grandson of Noah. Nimrod ruled over the land of Shinar and deliberately rebelled against God. Jewish, Christian, and Islamic accounts portray Nimrod as a tyrant who led people away from God. Nimrod is associated with child sacrifice and the construction of the Tower of Babel. After his death, he was deified as Baal, a sun god of fertility, which led to various forms of sun worship in different cultures.

In South Windsor, Connecticut, Beelzebub Road stretches northwest from Avery Street to Ellington Road (Route 174). This short road was originally called Lovely Street. It was renamed Beelzebub Road in the late 1920's after the mysterious disappearance and murder of Mina Bissell in August, 1922. Bissell went missing while searching for her cow. Her clothing was discovered 11 miles from where her remains were found 8 years later, on December 11, 1930.

### ***REMEMBER THESE NUMBERS!***

The number 8 is associated with themes of resurrection and renewal. (8) is also linked to the concept of perfection and moral striving, particularly in the context of the 8th degree, which claims to emphasize integrity and service to humanity. But if we reverse or invert these claims the emphasis becomes dishonesty and harm to humanity. Such as the deceptions, gas lighting and dishonesty that deliberately harmed and killed millions across the world during the COVID-19 war on We the People.

Beelzebub, also spelled Beelzebul or Belzebuth, is also known as the “Lord of the Flies”. Derived from a Philistine god, and adopted by the Abrahamic faiths as a major demon, Beelzebub is also associated with the Canaanite god Baal. Beelzebub is known in demonology as one of the seven deadly demons or seven princes of Hell.

Beelzebub represents the sins of gluttony and envy. More realistically, the name change from Lovely Road to Beelzebub Road relates to the use of the Satanic Law of Reversal, or inversion. The million dollar question is:

Are these numbers and events significant, or coincidence? You tell me?

Mina Bissell’s case was never solved. Some local residents believe the name change from Lovely Road to Beelzebub Road was influenced by reports of exorcisms at a farmhouse on the road.

Many locals at the time attribute these events to the eccentric behavior of a local man described as “odd” and “suffering from mental illness” (DEMONIC POSSESSION). His name was Walter Green, who was Mina Bissell’s son.

Beelzebub, also spelled Beelzebul or Belzebuth, is also known as the “Lord of the Flies”. Derived from a Philistine god, and adopted by the Abrahamic faiths as a major demon, the name Beelzebub is also associated with the Canaanite god Baal. The Canaanites descended from Noah’s grandson Canaan and inhabited the land of Palestine. They were wicked and idolatrous, and God ordered their destruction by the Israelites (Not the Secular State of Israel that has co-opted Judaism) as part of his promise to Abraham.

Starting to understand the deceptions and see the light, my dear friends?

### **The Satanic Law of Reversal or Inversion**

Anton LaVey, who founded the Church of Satan. Satanist Aleister Crowley, who was the Highest degree Freemason founded the religion of Thelema. Both noted that by reversing actions or words can harness power and influence, particularly when doing rituals. This concept is seen as a way to manipulate reality and achieve desired outcomes through lies, resulting in the exact opposite of what was promised or stated.

## **Saul Alinsky's Strategy of Projection**

In Rules for Radicals, written by Saul Alinsky dedicated to Lucifer, discusses a strategy summarized as "accuse your enemy of what you are doing."

This tactic is known as projection, where individuals attribute their own negative actions or qualities to others. It is a TEXTBOOK TOTALITARIAN TACTIC currently adopted by Democrat leaders in Minnesota, as the useless idiots on the left wage war against ICE, who are lawfully ARRESTING AND DEPORTING CRIMINAL ILLEGAL ALIENS. This method is also used to deflect criticism and manipulate perceptions as we see of Minnesota. This ritual is being employed constantly as a distraction from the massive fraud recently exposed in the North Star State.

The concept of projection has roots in psychology, where it describes how people may not recognize their flaws and instead project them onto others. Alinsky's approach has been utilized relentlessly by Democrats over the years. It reflects a long-standing tactic used in political propaganda, where leaders may accuse opponents of their own misdeeds to distract from their own actions.

## **Key Quotes from Alinsky**

*"If you spot it, you got it." This phrase encapsulates the idea that recognizing a flaw in others indicates that one possesses that same flaw. "Ridicule is man's most potent weapon."*

Alinsky believed that using humor and satire could effectively undermine opponents. Alinsky's principles had huge symbolic acts performed in reverse. It is why many leaders and politicians speak peace but make war— Like what we are seeing in Minnesota, where Governor Walz and mayor Frey invert reality, blaming their enemies for what they do. Politicians do it all the time. It is a common tactic of and practice of totalitarians and is detailed in a book published in 1971 by Hillary Clinton's mentor Saul Alinsky. called "Rules for Radicals."

Remember: "Read my lips— No new taxes," or "I did not have sexual relations with that woman" or "you can keep your doctor,"— or more recently, "free buses in New York City." These are all examples of the Satanic Law of Reversal or Inversion.

But it is not only Democrats. Many RINOS (Republicans in name only) like the Masonic Bush Family appeared to be promoting freedom, but in reality, both stealthily moved the world closer to achieving completion of the Great Work, a New World Order. A world where all aspects of human life are under strict control. Where freedom and private property are replaced by slavery and genocide.

On January 29, 1991, in an address before a joint session of Congress President G.H.W. Bush stated, *“What is at stake is more than one small country; it is a big idea: a new world order, where diverse nations are drawn together in common cause to achieve the universal aspirations of mankind -- peace and security, freedom, and the rule of law.*

If you reverse the meaning of these powerful words, peace and security becomes war and peril. Freedom becomes slavery and the rule of law becomes tyranny.

Rules for Radicals emphasizes the importance of collective action and grassroots organizing in creating social change. We see this now in the streets of Minnesota and other leftist strongholds.

Alinsky's work encourages radicals to utilize these strategies to effect social change. So what we are witnessing in Minnesota and other “Sanctuary” cities and states is very easy to understand unless you are brainwashed, have a low IQ or are possessed under a Satanic spell. Don't allow yourself to be gaslit. It's not rocket science. It's evil.

Whether or not one has accepted Jesus and has God in their lives, no one can deny as stated earlier, that across the world we are in times of great division, politically, spiritually and economically. No more so than here in America, where ignorant, deliberately dumbed down, Godless communists and pedophiles are reeking havoc on God's creation.

The Bible addresses division, emphasizing the importance of unity among believers. Corinthians 1:10 urges Christians to avoid divisions, stating, "that there be no divisions among you, but that you be united in the same mind and the same judgment." Ephesians 4:3 encourages maintaining unity in the Spirit through peace. Any person, party or organization that doesn't work to seek unity, and rather works to achieve division and deception are doing the work of Lucifer.

"Corinthians 11:14 states, "And no wonder, for even Satan disguises himself as an angel of light." This verse highlights the deceptive nature of Satan and his ability to appear righteous. Isaiah 5:20: "Woe to those who call evil good and good evil, who put darkness for light and light for darkness." Isaiah 5:20 highlights the moral confusion where values are reversed, emphasizing the consequences of such actions.

Romans 1:28-32 discusses how people who do not acknowledge God are given over to a debased mind, leading them to commit acts that are not fitting, filled with unrighteousness. While there is a religious revival, especially among young people in America, it is no wonder that the social engineers have sent God to the back of the bus since Obama's fundamental "transformation of America" began in 2008.

Malachi 2:17 teaches, "you have wearied the LORD with your words; yet you ask, 'How have we wearied Him?' By saying, "Everyone who does evil is good in the sight of the LORD, and He delights in them."

Proverbs 17:15 clarifies this teaching: "He who justifies the wicked and he who condemns the righteous are both alike an abomination to the LORD." In John 8:44 the nature of deceit is highlighted, stating that the devil is the father of lies, emphasizing the contrast between truth and falsehood. These truths illustrate the moral confusion of labeling good as evil and vice versa, warning against such practices.

Those who are righteous speak truth. Those who are evil speak lies and twist the truth to deceive.

They lie, cheat, steal, bearing false witness whenever their mouths move. These are the evil ones, who willfully do the spiritual work of Lucifer and his agent Satan, whether realizing it or not.

Satanist Vladimir Lenin, communism's ultimate PR guru called these hate driven, violent souls "useful idiots," because they do the work of the Devil, at the behest of the powers and principalities of this world, while believing they are acting as moral and virtuous "social justice" warriors. Lenin also noted that, "*A lie told often enough becomes the truth.*" Hitler said the same thing. No matter the age, all tyrants read from this same script, deceiving the masses into poverty, slavery and death. This is the history of the world, playing over and over again.

We saw it in Nazi Germany, Mao's China and Bolshevik Russia, and now here in America.

The playbook never changes. While ascribed to Nazi Germany, and coined by Adolf Hitler, whose reign was fortified by many “Big Lies,” this pattern of deception is as ancient as mankind itself.] The playbook never changes, and the result is always the same: Poverty, slavery and genocide.

In *Mein Kampf*, Hitler discusses how propagandists manipulate public perception using large falsehoods to deceive the masses, as people regularly accept and lie themselves about small things, such as calling in sick for work when one is healthy, or lying on resume to secure a job, average people would never create a “Big Lie” to deliberately change their country’s social structure, or the course of history.

Examples of a “Big Lie” would be believing that two jet planes hijacked by terrorists with box cutters could effectively fly unabated from Boston to New York for more than 90 minutes without any military response and successfully topple three buildings, as the world saw on 9/11/01.

Or that a man walked on the Moon in 1969. These lies are so big, that those who accept and partake in “little lies” on a daily basis fully believe the false narratives not because they are “Big Lies” but because they themselves would never partake in such wicked and elaborate fabrications—unless they are psychopathic. This is especially so, if the “Big Lie” is endlessly parroted by media and political leaders, like was seen during the COVID-19 scamdemic.

The concept gained traction in various totalitarian regimes, where leaders employed grand narratives to justify their ideologies and policies, often leading to widespread acceptance among the populace. Like Lenin’s ideology, which is the ideology adopted by today’s Democrat Party, the repetitive nature of the Big Lie reinforces its validity. The more it is stated, the more it seems believable. Lies that evoke fear, hope, or anger can create a strong emotional response, leading people to accept them and follow “order” or accept events without questioning the contrived cause. This is known as cognitive dissonance. When faced with contradictory evidence, individuals choose to cling to the lie, rather than confront uncomfortable, or truths that may shatter their own personal identities.

The Big Lie manifests in various forms, such as misinformation campaigns and large-scale false narratives that gain traction, often leading to social divisions, widespread distrust in institutions and inevitably carnage and war.

Understanding the concept of “The Big Lie” is crucial for fostering critical thinking and skepticism, enabling individuals to discern fact from fiction more effectively.

What we see unfolding in America and many countries around the world reflects how propaganda and repeated messaging influences public perception and belief. This ideology mirrors crucial Bolshevik propaganda during and after the Russian Revolution.

The Bolsheviks used propaganda to rally support for their cause, repeatedly framing their messaging and portrayed their enemies as oppressors. This shifted public perception in their favor, even though the messaging were lies. “The end justifies the means.”

After seizing power, the Soviet regime controlled media and education with censorship, promoting a selective narrative that was the reverse of the truth, contradicting reality.

This approach was designed to instill unwavering support among the populace. Over time, the narrative surrounding the Revolution and Lenin's role underwent massive revisionist history through centers of influence that have been secured by the left, demonizing “fascism” but ignoring communism, and its tyrannical and deadly consequences. “The Big Lie” solidified the Bolshevik's legitimacy and diminished dissenting views. Not to mention all dissenters were removed, even from books, paintings and photographs before they were either killed, or sent to gulags. Read [the Gulag Archipelago](#) by Aleksandr Solzhenitsyn for more insight to the *REAL* truth about Soviet communism, not leftist revisionism.

Transforming a lie into a perceived truth involves several psychological and sociological mechanisms including, frequent messaging to make ideas more familiar and acceptable.

If the majority can be made to believe a false statement, individuals align their beliefs with the majority to fit in. This is called Group Thinking. Messages that evoke strong emotions, like we are currently seeing in Minnesota bypass rational thinking and scrutiny, leading individuals to accept them as truth—and take action as “a mob”.

Lenin asserted that lies can become truth and serves as a poignant reminder of the power of propaganda and the fragile nature of objective truth in political discourse. The consequences of this practice can be seen throughout history, particularly in totalitarian regimes that manipulate reality to maintain control.

Totalitarian regimes centralize power in a single authority that suppresses individual freedoms. While most totalitarian systems prioritize State control, over the course of history many totalitarian regimes have incorporated God, or Allah into their governance. This was accomplished through the establishment of a theocracy where religious leaders hold all government power.

Modern examples include countries like Iran and Afghanistan, where religious law is enforced alongside totalitarian control.

In Ancient Egypt, the Pharaoh was considered a divine figure, ruling as a god on earth. This theocratic system combined religious authority with political power.

In Medieval Europe the Catholic Church held significant power over society, influencing monarchs and governance. The Pope's authority superseded that of kings, creating a form of theocratic totalitarianism which suppresses opposition and dissent, enforcing strict adherence to religious laws.

In a theocracy, laws and governance are heavily influenced by religious doctrine, leading to oppressive measures against those who do not conform, as we now see in Iran. It is the reason the United States was founded as a secular democracy that separates religion from government. While many categorize America as a “Christian nation”, the reference is to the People—not the State. Communists, who are materialists regularly bark that if left to their own will, Christians will force Christianity on the Nation. This is a VERY BIG LIE. **The U.S. Constitution ensures freedom of religion but prohibits the establishment of an official State religion.**

But New Agers endeavor to change this, seeking to make the entire world worship one religion and one God, Lucifer. Don't believe it? I can prove it. Most communists are atheists, but many embrace New Age philosophy and witchcraft.

In Gordon Thomas' 2007 Book, *Secrets and Lies: A History of CIA Mind Control and Germ Warfare*, Thomas discusses the CIA's covert operations, including biological warfare and mind control programs, revealing previously unpublished government documents and testimonies from both victims and perpetrators.

In Thomas's 2007 book it was revealed that in 1972 the CIA instituted OPERATION OFTEN, a global propaganda operation designed to make the Devil “more respectable” in society. That year, the Satanic Rothschild family held one of their most popular and public masquerade party, called the “*Surrealist Ball*”.

The lavish 1972 Rothschild Surrealist Ball was held at the Château de Ferrières in France, hosted by Baroness Marie-Hélène de Rothschild and her husband, Baron Guy de Rothschild, on December 12, 1972, (12 + 1) = 13. Known for its extravagant costumes, and artistic direction by Salvador Dalí, it is considered one of the most iconic social events of the 20th century, celebrated for its surrealist theme and illustrious guest list that included, among others, Audrey Hepburn and Brigitte Bardot.

The invitations were printed in reverse, (THERE'S A BIG CLUE!), requiring a mirror to read. It was a black tie affair calling for long dresses, and surrealist head wear. The ball merged high society with avant-garde art. Its extravagant decorations and theatrical elements captivated attendees and have inspired discussions in art and fashion communities to this day.

Think Marina Abramovic, and “Spirit Cooking”, for more insight my dear friends.

The 1972 event has been referenced in popular culture, including films and television series. Ever since, it is undeniable that movies, t.v., music and pop culture have steadily moved away from God while propping up the Devil and all his works. It is why Hollywood focuses on Satanism and witchcraft in almost every script, and why the Grammys and Superbowl Half-Time show can only be described as Satanic. This is NOT by accident. It is by means of mind control, propaganda and a Satanic spell cast over the population.

CIA OPERATION OFTEN also determined that at the time there were more than 5,000 witchcraft covens across the United States. This information from Gordon Thomas' 2007 book came directly from “Britain's most famous witch,” and an astrologer. Born on February 22, 1917 in Stoke-on-Trent, England, Sybil Leek was a prominent figure of the 1970's, recognized for her distinctive style, often wearing loose gowns and a cape with her pet jackdaw, *Mr. Hotfoot Jackson*, perched atop her shoulder.

Leek authored over 60 books on various topics related to witchcraft, astrology, and the occult. Some of her notable works include, *The Diary of a Witch* (1968), *The Sybil Leek Book of Fortune Telling* (1969) and *The Complete Art of Witchcraft* (1971).

Leek's writings reflect the “positive aspects of witchcraft”, and she was known for her many public appearances and media engagements, appearing regularly on television talk shows, including The World of Kreskin, From 1972 to 1975. The show was re-branded as The New Kreskin Show from 1975 to 1978 Kreskin <sup>1</sup>was a famous American mentalist who became popular on television in the 1970s, known for his mind-reading acts.

Sybil Leek passed away on October 26, 1982, in Florida, leaving a legacy as a pioneering figure in modern witchcraft. What the CIA began in 1972 as OPERATION OFTEN, has endured, as things once believed to be evil are now viewed as good and vice versa.

Are you beginning to see the light yet, dear friends?

Isaiah 5:20 reads, *"Woe to those who call evil good and good evil, who put darkness for light and light for darkness, who put bitter for sweet and sweet for bitter!"*

This verse highlights the danger of reversing the definitions of good and evil. Those who do this are seen as misguided and warned of impending judgment for societal behaviors that distort moral truths, emphasizing the folly of those who consider themselves wise, but are actually blind to their own errors.

Here in Connecticut there are many Witchcraft covens in operation. Among them are the Church of Eternal Light, the Pantheon Temple of Connecticut and the Black Hat Society of Connecticut.

Do not be deceived. Lucifer's adepts know exactly what they are doing as they gain more and more initiates. Those with discernment of the Holy Spirit can easily recognize these apostates because they are believers. Those who are not believers, simply cannot, or will not believe, and find every excuse to downplay and dismiss these immutable facts.

Still, many believers are falling prey to false prophets in our time. Churches that embrace social justice causes, such as Black Lives Matter and the LGBTQP community are not at all following the teachings of Christ and the true word of God. These poor, misguided souls are literally under a Luciferian spell, cast and conjured by the dark spiritual forces and authorities that oppose God's will.

And now, Satan is clearly making a big move.

After seven decades of social engineering propaganda foisted upon the masses by the powers and principalities dividing Our world and employing the spirit of Baphomet, who is both masculine and feminine, to promote homosexuality and trans-genderism and to facilitate child abuse, sex slavery the and sexualization of children is yet another direct Satanic assault on God.

Since Obama's "transformation of America" in 2008, there has been a powerful mass media pro-homosexual, pro-transsexual, pro-pedophile propaganda campaign to deceive the masses to move away from God. This fact is undeniable, especially noticeable with the forced closing of Churches worldwide during COVID.

Is tying all of this together resonating yet? If not, it will.

Do not believe the hype that if one doesn't accept homosexuality, trans-genderism and transvestites they are bigots. True believers love ALL of humanity and try to save souls by returning them to God and to Christ.

Verse

|                         |  |
|-------------------------|--|
| Leviticus<br>18:22      | "You shall not lie with a male as with a woman; it is an abomination."                                   |
| Genesis<br>19:1-11      | The story of Sodom and Gomorrah is frequently cited, traditionally viewed as condemning homosexual acts. |
| Romans<br>1:26-27       | Discusses same-sex relations as unnatural.   |
| 1 Corinthians<br>6:9-10 | Lists sexually immorality.   |
| 1 Timothy<br>1:9-10     | Similar to Corinthians 6:9 -10   |

These verses indicate clear prohibitions against homosexuality. Leviticus 18:22 declares that a man should not lie with another man as with a woman. Romans 1:26-27 describes same-sex relations to be against God's natural order. The answer also lies in perversion and the reprobate mind.

A reprobate mind refers to a state of moral corruption and/or depravity, where individuals reject God and His truth. This leads to engaging in improper and sinful behaviors.

Romans 1, describes this as a consequence of not acknowledging God, Our creator. Romans 1:28 notes that God allows individuals who reject Him to follow their own sinful inclinations, but the consequence of turning away from God and His truth is both spiritual and physical death, exactly what Satan wants for us all.

The verse illustrates that since people do not acknowledge God, the Lord gives them over to a reprobate mind, meaning they are left to their own designs and their own flawed reasoning and behaviors. Those with a reprobate mind engage in actions that are morally wrong and contrary to God's laws, including various forms of unrighteousness and wicked, sinful behaviors.

A reprobate mind signifies a rejection of God and a surrender to sinful desires. It serves as a warning about the consequences of turning away from divine truth, while emphasizing the potential for redemption that can only be obtained through faith.

The human condition is inherently sinful, and can only be redeemed through the gospel and transformative work of the Holy Spirit. Change is possible, regardless of one's current situation. This means individuals with a reprobate mind are not beyond hope, as the gospel remains the source of salvation for all, even murderers, rapists and pedophiles.

In 2021, the New Yorker Magazine reported that as part of the global elite's relentlessly evil social engineering of humanity, the CIA and German Intelligence deep state was involved in "creating a new Godless PEDOPHILE FAMILY UNIT to replace the traditional family.

In the article, *Letter from Berlin: The German Experiment That Placed Foster Children With Pedophiles*, by Rachel Aviv, published on July 19, 2021 it was revealed that more than 30,000 foster children in Germany were willfully given to pedophiles to raise to create an acceptable "new family unit". The horrors these poor tortured and traumatized children experienced is unspeakable.

This blatantly evil Satanic agenda is ongoing. It is a clear and present danger to children across the globe, and yet another example of Satan's continuous, relentless war on God's will and his word.

The Bible warns against harming children, stating, "Whoever causes one of these little ones who believe in me to sin, it would be better for him if a millstone were hung around his neck and he were drowned in the depth of the sea" (Matthew 18:6).

Severe consequences await those who harm or lead children astray. That is exactly why Satan targets children.

Mark 10:14: "But when Jesus saw it, he was indignant and said to them, "Let the children come to me; do not hinder them, for to such belongs the kingdom of God." Psalm 127:3 notes, "behold, children are a heritage from the Lord, the fruit of the womb a reward." Further, in Genesis 1:27 it is written, "so God created mankind in his own image, in the image of God he created them; male and female he created them." Proverbs 22:6 calls us to "train up a child in the way he should go; even when he is old he will not depart from it."

This is why the Godless communists and Satanists wish to sexualize and indoctrinate our children at the earliest possible age. It is why there is such a relentless call from the leftist to remove any barriers to pedophiles.

In 1977 pedophile David Thorstad founded NAMBLA, *The North American Man/Boy Love Association*. It is a pedophile and pederasty advocacy organization in the United States working to abolish age-of-consent laws that criminalize adult sexual involvement with minors.

The group campaigns for the release of men who have been jailed for sexual contacts with minors that did not involve what it considers coercion. The group no longer holds regular national meetings. Since the late 1990 the group has gone underground, officially discouraging the formation of local chapters to avoid police infiltration.

Pedophilia is of course the worst and most sinister of all attacks on God. Ephesians 6:4 teaches, "fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord." These verses emphasize the importance of protecting children and the severe spiritual consequences for those who harm them.

### **Understanding the Principalities and Powers**

Ephesians 6:12 teaches that our struggle is not against men, but rather against the rulers, and authorities of the evil powers of this dark world. "For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms."

Colossians 1:16 mentions "thrones or dominions or rulers, "for by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him."

Romans 8:38-39 teaches, “for I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.”

2 Corinthians 10:3-5 bolsters this teaching: “For though we live in the flesh, we do not wage war according to the flesh. The weapons of our warfare are not of the flesh but have divine power to destroy strongholds.”

Principalities and powers refer to spiritual beings that exert influence in the unseen realms. They are associated with demonic forces opposing God's purposes.

Their goal is to hinder God's work and lead people away from Him. These evil forces manifest in various forms, affecting individuals and communities. Believers are encouraged to rely on God's strength and to put on the *"full armor of God"* to stand against these wicked spiritual forces. These verses and concepts emphasize the spiritual battle that exists beyond the physical realm, and the need for spiritual awareness and protection.

The Book of Revelation discusses deception and mockery of God, particularly in the context of false prophets in the end times. Those with sagaciousness are witnessing these warning signs more and more each day: The mockery of God, the massive deceptions and division of the masses stoked by rabid hatred, children rebelling against their parents are but a few signs.

Revelation 2:9 and 3:9 mentions to beware of those who claim to be Jews but are not, but are the Synagogue Of Satan, this is of course indicates a mockery of God's truth from these “false jews” identified as The State of Israel is NOT the Jewish people, or God's original chosen people, the Israelites. They are false prophets who have co-opted Judaism and built a Masonic Temple on the grounds of the Israeli Supreme Court in the State of Israel.

God's “chosen people” would never worship Lucifer, or have disdain or hatred of God. This is yet another BIG LIE, possibly the biggest of all lies.

In Deuteronomy 7:6 the Word of God says, “For you are a holy people to Yahweh your God; Yahweh your God has chosen you to be a people for His own treasured possession out of all the peoples who are on the face of the earth.”

How did they become chosen by God?

The concept of God's selection of Israel originates from His covenant with Abraham, in which He pledged to make Abraham a great nation and to bless all families of the earth through him (Genesis 12:1-3). Regarding the biblical account of Israel's history, we are reminded that "God did not choose a nation; He chose a man." It was God's blessing that made one man into a great nation. Just as God made the first covenant with Adam to be fruitful, multiply, and fill the earth (Genesis 1:28),

The historical transformation of the Israelites into the broad term "Jew" was a complex process rooted strongly in cultural and linguistic developments. This shift, which unfolded over centuries, reflects both the political realities and the religious evolution of the ancient Israelite people. While the Israelites originally identified themselves as the descendants of Jacob (also known as Israel) and his twelve sons, the designation "Jew" eventually came to signify a distinct religious and cultural identity, largely shaped by historical events and the prominence of the tribe of Judah.

God called Abraham (the first Israelite) out of his native land of Mesopotamia into an unfamiliar land, promising to make Abraham a great nation and bless him (GENESIS 12:1 through 12:3)

Through Abraham's lineage the Israelite identity was passed down by means of the Abrahamic Covenant. These people were united by their shared ancestry and their covenant with the God of Israel.

Abraham bore Isaac and Isaac bore Jacob. Jacob bore twelve sons, but later Jacob adopted Joseph's two sons in place of Joseph after moving to Egypt, making it 13 tribes. Thereafter, the sons of Jacob were: Reuben, Simeon, Levi, Judah, Zebulun, Issachar, Dan, Gad, Asher, Naphtali, Ephraim, Manasseh, and Benjamin. Known today as the 12 tribes of Israel, they settled in the land of Canaan, where they established a society centered around their religious practices as a chosen people. In 1 KINGS 11:31 through 11:35 Moses, as a descendant of Jacob, through the tribe of Levi, making him an Israelite. This identity was solidified during the days of kings Saul, David, and Solomon (approximately 935 BC).

Following Solomon's death, the kingdom split into two separate nations: the northern Kingdom of Israel, comprising ten tribes, and the southern Kingdom of Judah, which was primarily home to the tribes of Judah and Benjamin, along with many Levites. This division marked a critical moment, the inhabitants of both kingdoms continued to see themselves as Israelites. The southern kingdom's association with the tribe of Judah led to its people being referred to as "Judahites" or "Yehudim" in Hebrew. This term would eventually evolve into "Jews."

The political distinction between the two kingdoms deepened with the fall of the northern Kingdom of Israel to the Assyrian Empire in approximately 722 BC. The Assyrians exiled the northern population, leading to the concept of the “Ten Lost Tribes,” who were never lost, just dispersed. All 13 tribes of Israel continue to exist today as they always have existed. Meanwhile, the Kingdom of Judah remained intact, allowing its people to preserve their traditions and identity more cohesively.

The Babylonian conquest of Judah in 586 BC and exile of its population to Babylon further solidified the identity of the Judahites as a distinct group. While in exile, the exiled population continued to practice their religion and maintain their cultural heritage, despite being far from their homeland.

When the Persian Empire allowed their return in 539 BC, those who returned to rebuild the Temple in Jerusalem in the land of Judah became the “Yehudim,” now understood as “Jews.”

Over time, this identity became more defined throughout the Second Temple period (516 BC–70 AD). Under the influence of Hellenistic culture and later Roman rule, the term “Jew,” derived from the Greek “Ioudaios,” and became widely used to describe the people of Judah and, by extension, all those who practiced the Jewish faith. This period saw the emergence of Judaism as a religion with a distinct set of beliefs and practices, which further united the Jewish people.

The destruction of the Second Temple by the Romans in 70 AD marked the end of Jewish political sovereignty in the land of Israel. This is all central to Masonic doctrine. (From Lucifer’s angle.)

With the Second Temple's destruction, every known ancestral artifact containing any scrupulous genealogy was destroyed. By this time, the distinction between Israelite identity and Jewish identity faded, with “Jew” becoming the term used to describe the descendants of the Israelites and adherents of Judaism.

The term expanded over centuries to encompass all those who followed the Jewish religion and identified with its traditions.

Today, humanity is not identified through our worldly lineage but rather in the spirit of accepting Christ as Our Savior:

GAL. 3:26 *For you are all sons of God through faith in Christ Jesus.* GAL. 3:27 *For all of you who were baptized into Christ have clothed yourselves with Christ.* GAL. 3:28 *There is neither Jew nor Greek, there is neither slave nor free man, there is neither male nor female; for you are all one in Christ Jesus.* GAL. 3:29. *And if you belong to Christ, then you are Abraham's descendants, heirs according to promise.*

The sacred status once applied to the nation and its land is now applied to the body of Christ, consisting of Jewish and Gentile believers together." This is the truth. Galatians 3:28 through 3:29 reinforces this truth:

"There is neither Jew nor Greek, there is neither slave nor free man, there is no male and female, for you are all one in Christ Jesus." Lord Jesus is exclusive in salvation from God's wrath and comes to only those who come to Him, in repentance and faith, and surrender your will to Him as Savior and Lord. This includes any person, no matter their faith, or ethnic background. All are welcomed into God's kingdom

Amen.

Thessalonians 2:10 discusses how Christ's people perish because they refuse to love the truth that could save them. We see this in the worldly deceptions of the Democrat party and leftist ideology in general. This verse exemplifies the dangers of the deception of the masses in the end times and emphasizes the importance of accepting the truth to avoid spiritual destruction.

Revelation 20:10 describes the ultimate fate of those who deceive: "And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever."

2 Peter 3:3      "Knowing this first of all, that scoffers will come in the last days with scoffing, following their own sinful desires."

The Book of Revelation discussion of false prophets and the Antichrist in chapters 13 and 19. In Revelation 13, the first beast represents the Antichrist, while the second beast, the false prophet, leads the people to worship the first beast and to deceive the masses.

## Revelation 13: The Beasts

### Verse

13:1      John sees a beast rising from the sea, symbolizing the Antichrist, with seven heads and ten horns, representing political power.

13:2      The beast resembles a leopard, with feet like a bear and a mouth like a lion, indicating its ferocity and authority.

13:3      One of the beast's heads appears to be fatally wounded, but the wound is healed, leading the world to marvel and follow it.

13:4      People worship the dragon (Satan) who gives authority to the beast, showing the connection between the two.

### **Revelation 13: The False Prophet**

#### Verse

13:11     Another beast rises from the earth, described as having two horns like a lamb but speaking like a dragon, indicating deception.

13:12     This false prophet exercises authority on behalf of the first beast and compels people to worship it.

13:13     He performs great signs, even making fire come down from heaven, to deceive those on earth.

13:14     The false prophet deceives people to worship the first beast.

The Antichrist is often seen as a political figure who unifies the world under a single government.

The false prophet acts as a religious leader, promoting worship of the Antichrist and performing miraculous signs to gain followers. Both represent a counterfeit of Christ, and are central to the end times.

These verses highlight the characteristics and roles of the Antichrist and the false prophet. Revelation describes the Antichrist as a beast that rises from the sea, symbolizing political power, and a false prophet who performs signs to deceive people into worshiping the beast (Revelation 13:1-18).

Revelation warns that false prophets will arise, leading many astray with their deceptive teachings (Revelation 16:13-14). In the end times described in the Book of Revelation a significant event involves a "statue," known as the "image of the beast."

This image is created by a second beast, which is given the power to give life to it. The image is described as being able to speak and to command worship from people. Those who refuse to worship this image face severe consequences, including death.

The concept of statues or images coming to life symbolizes the power and influence of false idols during the end times and clearly alludes to the rise of the machines, robots, artificial intelligence and bio-metric digital IDs.

In Revelation, loyalty to God is tested against the demands of oppressive regimes and false worship, serving as a warning of the dangers of idolatry and the importance of faithfulness to God during tyrannical tribulations.

Can we not see all of this not only evolving, but is already here in the world today? For those who have spiritual discernment and a close relationship with God, this is quite obvious. For those immersed in the material world, reprobates and who do not have spiritual insight, they are too blinded by the trees to see the forest. I pray by now, dear friends that you are beginning to see the light— because time is short.

The Antichrist opposes God while performing miracles that will deceive many. The False Prophet acts as a religious leader promoting the Antichrist, who leads people away from the true worship of God, the Father and Our Lord Jesus Christ.

In the Christian community believers can see all of this brewing in the Charismatic movement and the Rockefeller funded WORLD COUNCIL OF CHURCHES.

The Christian Charismatic movement is a movement within established or mainstream denominations to adopt beliefs and practices of Charismatic Christianity, with an emphasis on baptism with the Holy Spirit, and the use of spiritual gifts.

It has affected most denominations in the United States, and has spread widely across the world. The movement began in 1960 in Anglicanism, and spread to other mainstream Protestant denominations, including other American Protestants, Lutherans and Presbyterians. Roman Catholicism joined the mix by 1967.

This should be a RED FLAG TO EVERYONE!

The Charismatic movement is most known for speaking in tongues, known as glossolalia, divine healing, and prophecies—as evidence of the Holy Spirit. Reverend Jim Jones, a CIA MK ULTRA operative/victim was a Charismatic leader—and a fraud. Keep that in mind. Sadly, many preachers and priests, although they are not mass murdering their congregations—are drinking Satan's Kool-Aid.

Most meetings are for praying and spirited singing, dancing, shouting “in the spirit,” and anointing the sick with oil. The primary reasons for the movement’s rapid growth and popularity lies in the anointing of the sick, used to lure believers to worship in a new modern way that Charismatics falsely claim echoes the worship of original Christians. It does not. Characterized by their ability to perform miracles and signs to mislead the masses, charismatics deceive their flocks and are an abomination to God, as the Charismatic movement is ritual, not scriptural. Since the dawn of time Satan’s insidious master plan has been to put a wedge between God’s children and God’s Word.

In Genesis 3:1 the serpent is introduced, described as more cunning than any other creature, who questions Eve about God’s command regarding the trees in the Garden of Eden, setting the stage for the temptation and the fall of humanity.

Ever since, Satan and his minions continue\ to attack the Bible. In my view, non-biblical based preachers and Mega Church charlatans, people like Joel Osteen and many, many others are exploiting their congregations for profit with little focus on the word of God, acting more like self-help gurus like Tony Robbins, rather than preachers.

The significant role of false prophets and the Antichrist in the end times, emphasizes their deceptive nature and ultimate defeat. In the age of lifelike holograms and artificial intelligence, the world is ripe for massive Satanic deceptions, such as a fake alien invasion and even a fake second coming of Christ.

As a society we must recognize those who fit these descriptions and push these “modern” religious agendas. When applying these biblical truths to the current infrastructure of our world we must discern from those speaking and revealing truth and those who lie and deceive.

It really isn’t difficult to have these perceptions when one objectively analyzes Our world and actions of those we call leaders. This should be glaringly obvious to all, not just believers.

Jesus said, “by their fruits ye shall know them.”

Matthew 7:16-20 explains how one can identify a person’s true character by their actions and behaviors, rather than their words, which can be twisted, turning truths into lies at will. Corrupt Politicians, media figures and celebrities who are paid to sell lies, are false prophets, including members of the clergy who deceive their flocks. Just as our corrupt two tiered judicial system clearly protects evil doers from prosecution and prison.

Do we not recognize each of these relentless acts of evil are occurring each and every day, maiming, killing and dividing our world?

Just as a tree is recognized by the quality of its fruit: Good actions indicate good character while bad actions reveal a corrupt, deceptive nature. This teaching warns against false prophets, emphasizing that one can only identify true prophets by the outcomes of their actions, referred to as "fruits," not their words. The passage explains that a good tree produces good fruit, while a corrupt tree produces bad fruit. It illustrates the principle that one's true nature is reflected in their deeds.

Jesus uses this metaphor to teach that outward appearances can be deceiving. True intentions and character are revealed through actions and warnings of consequences. Trees which do not bear good fruit will be cut down and discarded, symbolizing the ultimate judgment of those who mislead others. This teaching encourages individuals to evaluate the actions and outcomes of leaders and prophets rather than just their empty words—and there are so many lies and empty words in Our time

It is clear this is why the social engineers have incrementally worked to engineer God and the Bible out of mainstream society replaced by sorcery and witchcraft, as deceptions increase and paving the way for more and more evil, described as good.

Jeremiah 17:9 states, "the heart is deceitful above all things, and desperately wicked; who can know it?" Proverbs 14:5 teaches, "a faithful witness does not lie, but a false witness breathes out lies."

Each of the above amplify the seriousness of deception and the importance of truth in biblical teachings. Freemasonry, for example, is one of the most evil organizations on the planet.

While it cannot be denied that Freemasonry has helped move humanity forward, it has always worked diligently to deceive the masses for profit, power and control and move them away from God. Their influence is found everywhere, in all secular and religious institutions, entertainments, sports and industries.

Deception is linked to the heart's wickedness, selfishness, materialism and the influence of false prophets. While the Bible encourages honesty and integrity, urging believers to reject deceitful practices, it is not religious thinking alone, it is the Golden Rule.

## CLOSING THOUGHTS

Fraud and abuse is present in every state of the Union, but the tremendous fraud in Minnesota, California and other Democrat controlled states eclipses them all. It is astounding. This reminds me of former Congressman and Presidential candidate Ron Paul (1976-77, 1979-85, 1997-2013). In his Washington D.C. office a sign on Dr. Paul's famously read:

DON'T STEAL THE GOVERNMENT HATES COMPETITION.

The United States Congressional Budget office estimates that upwards \$300 billion of government fraud occurs each and every year. This is money that could be used to help the poor, heal the sick and make life better for all Americans.

If the wrath coming from severely economically disillusioned young people currently focusing their ire against ICE instead of charlatans and FALSE PROPHETS intentionally deceiving them into neo-feudal serfdom and using them as political cannot fodder and find God, America would become prosperous again under God's protection and the world would be a much better place.

Have you seen the light, my dear friends?

I hope so. If not, consider these final thoughts::

The relentless wickedness that directly emanates from corrupt political representatives is not only evil, it is unsustainable.

As fraud, waste and abuse is exposed more and more each day, the \$300 billion question is, *“why would rejecting deceitful practices, such as living honestly, raising families, buying homes, living in prosperity and bringing the evil doers to justice be more and more discouraged by the powerful forces ruling and influencing America and the world”?*

The answer is hellishly simple:

Our society resides in Satan's Kingdom.
